Detainees of Eastern Region / Nuba Mountains

Up to now no one knows the number of detainees in authorities' detentions. The following detainees are those that HUDO managed to check their details. They are hunted and arrested from the weekly markets in Rashad and Al Abbasiya (in Rashad on Monday & Al Abbasiya on Thursday), and the rest arrested from their houses. All of them now facing bad jailing conditions and are under torture. HUDO urges for their immediate release or send them to fair court if they are facing any accusation.
