UPDATE ON

THE JSC CARRIED OUT ARREST OPERATIONS IN ROSERIES, SUDAN

On 18th and 22nd October 2026, JSC released three (3) out of the eight (8) detainees for different reasons. The other five (5) detainees are still held incommunicado. According to the released detainees, all of them were subjected to harsh interrogation methods and their phones were searched.

From 12th to 17th October 2026, the Joint Security Cell (JSC) in Blue Nile State arrested eight (8) civilians from Al-Roseires and all were held incommunicado.

On 18th October 2026, the JSC released Mr. Al-Rayah Younis Babiker and Mr. Al-Fateh Awad Al-Nour. Mr. Al-Rayah Younis Babiker was released because of health reasons (he is suffering from dengue fever). On release, he was given conditions which included not to leave his house/home for any reasons (house arrest). For Mr. Al-Fateh Awad Al-Nour, his release was unconditional.

On 22nd October 2026, Mr. Elsir Mohammed Eltour was released because he also fell sick/ suffering from dengue fever. He was released after signing a commitment pledge that he will report back after recovery. His smart phone was confiscated by JSC.

According to their testimonies, all were interrogated and mostly accused of despising (disapproving) the Sudan Armed Force (SAF). They were also accused of talking positively about TASIS and communicating with members of TASIS.

They also stated that, the places where they were detained were very small spaces with very many detainees. This resulted into unhealthy conditions like respiratory cases and spread of other sicknesses like the case of dengue fever among the detainees.

However, the other five (5) whom they were arrested with, remained in custody and held incommunicado up to date. Their names are;

1. Mr. Al-Baqir Saad
2. Mr. Jubara Abdalla
3. Mr. Bakri Mahmoud
4. Mr. Elgeily Abdalla Jabir Bamsika
5. Mr. Abduelbasit Kamal Mohammed Eltour

It has been confirmed that some of the detainees are held at Hoosh Elestekhbarat inside the 4th Infantry Division in Damazin. Others are held in a hanker used as detention near the JSC office.

HUDO Centre is concerned about the safety of civilians in Sudan during this difficult period of fighting between SAF and TASIS and calls upon the Sudanese authorities to:

- Ensure the safety and physical integrity of all detainees, prevent torture and other forms of ill-treatment.
- Allow the detainees to access, legal counsel, medical care, and family visits.
- Release all detainees or present them to an independent and competent court in accordance with due process guarantees.
- Conduct an independent, impartial investigations and hold accountable anyone responsible for arbitrary detention, torture, or other violations.
- Ensure that civilians are not targeted solely because of family relationships, political affiliations, or ordinary civilian work and activities.

HUDO Centre urges the international community, relevant United Nations mechanisms, and human rights organisations to urgently raise these cases with the Sudanese authorities, confirm the whereabouts and welfare of detainees, and take appropriate action to prevent further violations.
