UPDATE ON
THE ARREST OPERATIONS CARRIED OUT BY JSC CONTINUE IN ROSERIES, SUDAN

On 27th October 2026, the Joint Security Cell (JSC) unconditionally released Mr. Elbagir Malek. This was after JSC failed to sustain their accusations. The other four detainees are still held incommunicado.

On 27th October 2026, Mr. Albagir Malek (a truck driver) was released by the JSC. He was initially arrested by JSC on 19th October 2026. According to the interrogation, the security authorities believed that the consignment of sorghum he was transporting in his truck belonged to Major General/ Al-Hassan (Elbagir's uncle who is in TASIS). However, Elbaqir was released after the real owner of the consignment (sorghum) came forward and proved that it belonged to him.

The other four detainees remained in the JSC detention (in poor and unhealthy conditions). Their names are: Mr. Abduelrahman Mohammed Eltayeb, Mr. Yousif Dafalla Elratul, Mr. Abdelhafeez and Mr. Abu-Obeida Mutasim.

HUDO Centre is concerned about the safety of civilians in Sudan during this difficult period of fighting between SAF and TASIS and calls upon the Sudanese authorities to:

- Ensure that all detainees are free from torture and other forms of ill-treatment
- Permit detainees to have immediate access to legal counsel, medical care, and family visits.
- Immediately release or present detainees to courts of law.
- Ensure that civilians are not subjected to arbitrary arrests
- Independently investigate and hold to account anyone responsible for arbitrary arrests, torture, or other violations.

HUDO Centre urges the international community, relevant United Nations mechanisms, and human rights organisations to urgently raise these cases with the Sudanese authorities, confirm the whereabouts and welfare of detainees, and take appropriate action to prevent further violations.
